

NORTHEAST ROSEBURG

What action steps can we implement to use what we learned?

Increased family support for at-risk youth/prior offenders

Identify key risk factors

FDC - more education, more early education and awareness

How do we increase parental involvement? Increase adult-children mentoring.

In our community we increase involvement from parents in E.I. Programs.

We need to educate the community on available resources.

We need up-to-date comprehensive resource guide.

- Volunteers
- Agency involvement

Need to distribute and utilize the Resource Guide

Who else needs to be working with us in our community?

Community Agencies

Health care providers
