

NORTHWEST ROSEBURG

What are helpful things you learned today for working with your community?

- 1) How do we engage parents - empower/educate/awareness
- 2) Use starting at younger ages
- 3) RX drug use alarming - pharm party – RX abuse awareness/turn-in system
- 4) Using to self medicate - cause?
- 5) Kid focused advertising - drug advertising in general - amount
- 6) Community connectedness (city-rural-culture)
 - o don't know our neighbors
 - o how do we reach "high risk parents"
 - o more lighting
 - o patrol
- 7) Build relationship with kids in neighborhood

What action steps can we implement to use what we learned?

Community Connect:

- 1) Engage local schools
- 2) Question moral decline - schools teach, community
 - o meeting place
 - o share design/plan
 - o "town hall"
 - o not just schools - extended community
- 3) Media/outreach - get word out, phone books, newsletters, ?grange, invite, learning session

Plan:

Introduce ourselves

Recognition/what are we trying to accomplish

- o "What's in the bag"
- o Mission Statement

Invite everyone "time poverty" - how do we overcome

Connect with people where they already are

Email/TIP Sheet - school, church, booth at Y - via email, no flier

Neighborhood Watch model

"MADD" model –

type identify

What support (who, policy, funds) do we need to implement our action plan?

- 1) Place to meet
- 2) Communication tools - media network, newsletter, fliers, radio, church bal.
- 3) Funding - neighborhood fundraisers, incentives to participate in program
- 4) People engaged to do work
- 5) Mentors - people who have gone through it (Adapt Program)

Who else needs to be working with us in our community?
