

REEDSPORT – ELKTON

What are helpful things you learned today for working with your community?

- * Where Oregon stands compared to nation
- * Importance of 20% of comm. to bring about change
- * Parents of 10-14 year olds
- * Positive family roles
- * Quality of local statistics and being helpful
- * Importance of information about use and brain development to community at large
- * Social Development Strategy
- * Importance of 20%, getting brain information to comm.

What action steps can we implement to use what we learned?

- 1) Gather interested group to coordinate - task force, site council, schools
- 2) Coordinate resources and contacts - parenting info, presentations, training
- 3) Bring presentation to established groups or organizations - experts, parents, service, business
- 4) Train our own experts
