It is necessary for all that benefit from this service to volunteer as much as possible serving in the 4-H Kitchen. Sign-up sheets are included in the 4-H Fair Registration Packet that is distributed in June as well as signing up on the Monday of Fair.

4-H and FFA members, their families, and Leaders may purchase meal tickets for the week at a reduced rate if purchased on or before Monday of Fair week.

(All prices are subject to change without prior written notice.)
Meal of the Day:
Breakfasts $4.00 each
Lunch/Dinner $6.00 each
Other menu items will be available for purchase at the county Fair.

*All returned checks are subject to a $50 NSF charge. Make all checks for meal tickets payable to the Douglas County 4-H Leaders Association*
GENERAL RULES AND REGULATIONS FOR 4-H EXHIBITORS AT THE DOUGLAS COUNTY FAIR

1. Let it be understood that the act of entering an exhibit or contest at this Fair is asking the Fair Management and 4-H Staff to secure a qualified judge to place a judgment on the exhibit or performance. It is therefore courteous to gracefully accept the decision of the judge, realizing that it may be in conflict with your set of standards. Every reasonable effort will be made to secure highly qualified and conscientious judges. If you feel you are not willing to accept this judgment, please write (exhibit only) on your entry. The decision of the judge is final. Any concerns should be directed to the superintendent of the division, the 4-H Extension Agent or 4-H Extension Staff.

2. A Champion and a Reserve Champion may be selected from each division or class if, in the opinion of the judge, a blue ribbon exhibit or exhibitor is of Championship quality. (Red and white ribbon winners will not be eligible even if no blue ribbons are awarded in a division or class.) Grand and Reserve Grand Champions may be selected from among champions and reserve champions within a division.

3. All classes will be judged on the Danish Merit system and grouped into Blue, Red and White categories. Blue = Excellent to Superior; Red = Good to Excellent; White = Acceptable but needs improvement. Green exhibitor ribbons will be awarded to any exhibit that doesn't qualify for judging. Rainbow exhibitor ribbons are presented to Cloverbud Exhibitors.

4. Premiums will be awarded according to a point system. The number of points awarded in all 4-H divisions will be totaled and divided into 4-H premium money available in order to determine the value of each point. Premium Points: Blue = 3, Red = 2, and White = 1 (Premiums are only awarded to classes where the exhibitors are pre-registered by July 1st. No premiums are awarded to CloverBud exhibitors or exhibition only participants or where specified in the Premium Book by individual sections (* denotes county only classes and premiums will not be paid)).

5. Checks will be issued for premiums to the primary club leader at the Project Leader Meeting in October. Each club leader will handle issuing checks to members who participated at Lamb Show and Fair if applicable. Checks not picked up by October 31st will be made available to each youth's primary club leader for distribution to the youth. Checks must be cashed by the end of the calendar year or the premium will be forfeited (regardless of the situation).

6. Only regularly enrolled Douglas County 4-H members may exhibit in the 4-H youth department unless open to all youth.

7. The same animal, article, or duplicate static article (i.e. cookies or photos) cannot be exhibited in 4-H and FFA or Open Class.

8. 4-H members may enter a division or class only if they are enrolled in that 4-H project or phase and if they submit current 4-H Records which include cover, identification page, 4-H Permanent Record, 4-H Project Record, 4-H Project Supplemental pages (e.g. Feed and Growth, Production, etc.), 4-H Notes. These record-keeping forms are available at the Extension Office. They must be fastened in a flat cover with the 4-H member's name and address. PLEASE NOTE THAT TWO (2) COPIES OF THE FEED AND GROWTH RECORDS AND TWO (2) COPIES OF PRODUCTION RECORDS ARE REQUIRED. ONE COPY OF FEED A GROWTH TURNED IN AT EXHIBITOR'S MEETING WEDNESDAY MORNING AND ONE COPY OF PRODUCTION RECORDS TURNED INTO DIVISION SUPERINTENDENT ON ENTRY DAY. COPIES OF BOTH RECORDS ARE TO REMAIN IN THE 4-H'ERS RECORD BOOK.

9. A 4-H exhibit must be the work of the 4-H member and completed as part of the current year's project. Work done after County Fair but prior to Oct. 1 and not previously exhibited may be included in the next project year.

10. An entry pass charge will be collected for all enrolled 4-H members & leaders at County Fair, (price to be determined by 4-H and OSU Extension Staff).

11. All 4-H exhibits are to be on display for the entire duration of Fair. 4-H Exhibitors who remove
exhibits early without the permission of the Livestock Superintendent or the Exhibits Building Superintendent will be penalized. The penalty will be decided by the overall 4-H fair management team.

12. Products are exhibited at owner's own risk.

13. Certain Douglas County club exhibits will be selected to be shipped to Salem to represent the County at the Oregon State Fair. If exhibit is too large/fragile, exhibitor may be asked to transport exhibit to Salem.

14. All exhibits not desired for the Oregon State Fair and those of a perishable nature must be picked up by owner on Sunday between 9:00 a.m. and 12:00 Noon.

15. 4-H age categories for judging of contests and exhibits are:

18. All 4-H members and Leaders are to follow the "4-H Activities CODE OF CONDUCT". 4-H'ers are expected to conduct themselves in a manner that reflects well on their state, county and club, as well as themselves. 4-H/FFA EXHIBITORS RULES AND REGULATIONS

DOUGLAS COUNTY 4-H/FFA SHOWRING CODE OF PRACTICE DOUGLAS COUNTY GUIDELINES

The following is a listing of guidelines all exhibitors must follow to enter any animal at organized competitive events.

1. All exhibitors must have viable proof of ownership or viable leases, if appropriate, available to fair and livestock show officials at their request. Documents should include current ownership information, transfer of ownership (if any) length of ownership, and age of animal’s. Misrepresentation of ownership, age, breed, or any facts relating thereto is prohibited. Exhibitors and their agents—advisors agree to comply with the printed show rules upon entry.

2. No exhibitor may show a market animal which has been previously sold at an auction or sale as a market animal through another fair or livestock show, whether or not there is an actual change of ownership (progress level shows excluded). Any method used to misrepresent the age of an animal for a class in which it is shown is deceptive and considered illegal. Showing an animal for another individual by claiming ownership in order to show in a specific livestock class or event is prohibited. False ownership is illegal.

3. 4-H and FFA exhibitors are expected to care for, groom and exhibit their own animals upon entry at the fair or livestock show except for normal care given during barn duty when members may coordinate and cooperate to ensure proper husbandry. However, because of the educational nature of livestock shows it is appropriate for parents, leaders, and/or other persons to give VERBAL assistance in the preparation of livestock for show. Additionally, 4-H and FFA members in good standing in Douglas County may ASSIST each other. If outside (parental or other) help occurs, the judge will be notified and member may be dropped to the bottom of the class. Any exceptions must be approved in advance by the Ethics Review Committee and/or barn superintendent or fair rules. Safety is of primary concern and common sense actions/interventions by adults are allowed, when appropriate.

4. The act of entering an animal in a livestock show provides for absolute responsibility for an animal’s condition by the owner, exhibitor, fitter, groomer, trainer, parent or absolutely responsible person whether or not he or she was actually instrumental in, or had actual knowledge of an act perpetrated to misrepresent or mistreat an animal in contravention of this code of ethics.

5a) Use of tranquilizers, sedatives, or any other drugs which alter the physical or physiological state of the animals is illegal. The drugs must be approved by the Food and Drug Administration for use in meat producing animals. Additionally, all drugs used on a species of animal must be properly approved for use on the species treated. All exhibitors shall advise show management of any drugs and/or medications administered to an animal. The name of the drug, its purpose, the person who administered the drug, time and date of administration shall be presented to show management prior to the showing and sale of the animal. Failure to report this information could result in severe penalty and/or disqualification. Any use of drugs or substances not approved by the Food and Drug Administration specifically for use in animals, home remedies included, is strictly prohibited. Kaopectate and/or Pepto-bismol for the sole purpose of controlling diarrhea may be administered at the fair with the prior approval of the Barn Superintendent.

5b) Animals shall be presented free of drugs at show events where they will enter the food chain, this includes meat producing animals, dairy animals producing milk, and poultry producing eggs. The act of entering an animal in a livestock show gives consent by owner, exhibitor, fitter, groomer, trainer, parent and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other requested substances from the animal to be used in testing either randomly or upon suspicion. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and local statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state, local statutes, regulations and rules affect the animal’s performance or appearance at the event. Any exceptions must be approved by the Douglas County Ethics Review Committee.

5c) During livestock events, in the case of animals requiring treatment, all medications shall be administered
according to label instructions and the livestock show officials shall be notified of the medication given, amount administered, time of administration, and who administered the medication. All exhibitors shall advise show management of any drugs and or medications administered to an animal by themselves or a licensed veterinarian during the previous two days from the opening of the scheduled event.

5d) If the laboratory report on the chemical analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. Upon entry of animals, exhibitors give permission to the Douglas County Fairgrounds and/or their representative(s) to collect samples of urine, saliva, blood or other substances from any animal in question. Exhibitors and/or their representatives assume that the sample of urine, saliva, blood or other substance tested by the approved laboratory to which it is sent is the one taken for the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory pertains to the animal in question and correctly reflects the condition of the animal at the time the sample was taken from the animal in question. The owner, fitter, groomer, exhibitor, parent or absolute responsible person has the burden to prove otherwise at any hearing in regard to the matter conducted by the fair or livestock show.

6. Any surgical procedure or injection of any foreign substance or drug or external application of a substance (irritant, counterirritant, or similar substance) which could affect the animal’s performance or alter its natural contour, conformation or appearance is prohibited. Surgical procedures used in generally accepted animal health practices performed previous to the event for the sole purpose of protecting the health and usability of the animal is allowed. Substances used for practical cleaning purposes, external applications of substances to the hooves or horns of animals which affect appearance only and other hair grooming products prescribed for use on animals are allowed unless prohibited in the fair rules and/or rules for a specific event. Any directions, indications, healing and withdrawal times for products and procedures must be followed.

7. The use of inhumane showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited. Other practices, unless under the written authority of a licensed veterinarian, that are not acceptable or prohibited include, but not limited to, liquid diets for lambs, excessive shrinking, excessive exercising, tying animals with their feet off the ground, icing animals down and electric stimulation.

8. The balancing of the udder by abnormal means that includes the use of a mechanical contrivance or the injection of fluid or drugs, setting the teats and/or occluding with a mechanical contrivance or the use of chemical preparation is illegal. Treating or massaging the udder or its attachments with an irritant or counter irritant is prohibited.

9. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.

10. No owner, exhibitor, fitter, groomer, trainer, parent or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violations of this rule shall subject such individuals to disciplinary action.

11. Show management reserves the right to require animal health certificates. Health inspections and diagnostic tests may be made before or after the animals are on the livestock show premises for exhibitor and animal safety, or to inaugurate disease control procedures which may become necessary in emergencies as determined by animal health officials.

All grievances are to be submitted in written form to the 4-H Office for further review.
GENERAL RULES

1. Each exhibitor must show in a showmanship class in each department in which he/she is entered and the animal shown must be owned by the member. Exhibitors may show in only one showmanship class per animal science project area.

2. Every animal or bird exhibited by a club member must either be owned by the club member, leased or have a written agreement of responsibility for the animal as of May 15 of that year. Registered animals must be registered in the name of the exhibitor (Registration in a partnership or family name is acceptable providing the 4-H member’s animals have been designated at the beginning of the project and the 4-H leader is informed.)

3. 4-H members who share an animal in a 4-H project must decide who will enter and show it in conformation classes. Each member may show the animal in showmanship if they can be in different classes.

4. Exhibitor is limited to two entries per class or variety, except horses, dogs & market animals are limited to one; and some classes in Exhibit Building are limited to three.

5. Division may be set up when three or more animals in one breed are entered in one division. If less than three animals are in a breed division they will be combined with others. Less than three in one breed, no champion will be awarded. At the judge’s discretion, a champion may be awarded to an exhibitor of outstanding quality.

6. Animals and birds must be owned, leased or formally under the care and management of an enrolled 4-H'er. All project animals must be in the possession of the 4-H'er by May 15, exception: market swine, beef and horse must meet earlier possession deadlines). If an animal dies the member may make a request to replace an animal providing he/she has possession of the second animal by July 1. (exception: market beef and swine see Rotary Market Auction Guideline #23).

7. In the market classes the judges will be instructed to place the animals according to USDA Grading Standards.

8. Livestock classes will be judged in the order they appear in the premium book, unless prior agreement is reached with the superintendent. Market animals will be shown according to weight, not breed.

9. All unruly animals or animals that require medication or special equipment in order to be handled or restrained are not to be brought to the Fair. If an animal is unruly or the 4-H'er does not show he or she can control the animal, the superintendent can disqualify the animal. All such animals must be removed from the Fairgrounds.

10. Exhibits of blue ribbon quality are eligible for entry in State Fair. If more persons wish to enter exhibits than our quota allows, selection will be based on placing in the blue ribbon grouping. See 4-H Saddle Horse General Regulations for specific State Fair selection guidelines for 4-H horse participation.

11. The superintendent of each division and the livestock superintendent have authority to make any decisions necessary on questions of interpretations on rules of that division.

12. The County 4-H Extension Agent shall make final interpretations regarding rules.

13. All exhibitors are expected to attend the exhibitors meetings which are held each morning at 8 a.m.

10. 4-H or FFA members may sell only one market animal per year at the 4-H/FFA Rotary Auction Sales
     (Spring Lamb Show or County Fair).

11. Sale order will be determined by judge’s placing’s of animals in classes. Superintendent and/or placing
     committee will compile the sale order from placing’s of all classes.

12. All bidding is on a per pound basis. In most cases the current market price constitutes the starting bid.
     At the time of the sale only the buyer will select one of these options: 1) Keep the animal for his/her
     own personal consumption, or 2) Turn the animal back to the auction committee for resale to a sheep,
beef or hog) buyer at the accepted price.

13. Youth will not approach buyers at the Buyer’s BBQ to change the disposition of the animal. NO gifts are to be presented to buyers at the sale.

14. Seller receives the full bid less 5% to cover advertising and promotion costs, and to support the broader 4-H and FFA programs youth development goals. Federal law requires that .40 cents per hundred gross value from the sale of swine be deducted for the pork check-off. It will amount to a few cents less on the checks of those who sell swine. The federal beef referendum requires a $1.50 per head charge per animal and this amount will be deducted from the check of those who sell beef. The lamb check-off fee is .70 cents per head charge per animal and a $2.00 lamb pen cleaning fee is accessed as well and will be deducted from the check of those who sell lambs.

15. A picture must be taken of the exhibitors and their market animals on a scheduled day, (see show schedules for details). Pictures are used as part of a tribute to the buyers, and the exhibitor is responsible for presenting the Buyer’s Placard with the picture to their buyer. Moreover, letters of thanks must be mailed to the buyer as soon as possible. Market checks will be held until thank you letters are sent and placards are delivered.

16. Exhibitor will present his/her animal in the sale ring at the time of the sale and at picture-taking.

17. Each exhibitor must have available all required papers (i.e.: transfer of ownership certificate and bill of sale).

18. Ownership of animal changes at the time of the auction, but care of market animals are the responsibility of the exhibitor until time of release. Sellers are responsible for all pre-existing conditions (i.e.: retained testicles, medicine withdrawal periods, additives, drug, and hormone treatment problems). Evidence of non-compliance will result in forfeiture of sale proceeds. Release time for steers and hogs is Sunday morning at 6AM.

19. 4-H Records must be up-to-date and submitted during registration on entry day of Lamb Show and Fair in order to enter 4-H classes. Completed Feed and Growth Records must be turned in at the Lamb Show Registration and by Wednesday morning at the Exhibitors Meeting during Fair in order for sellers to receive their check. FFA records will be certified by the FFA Advisor. KEEP IN MIND … NO RECORDS, NO CHECK.

20. Rotary loans and fees for market animals will be withheld from the auction sales check. If your animal does not sell at the Rotary Auction for any reason, you are still responsible for repayment at the time of the Rotary Sale.

21. Dress Code for exhibitors is as follows: exhibitor should be neat and clean with hair combed and shirts tucked in; no shorts, no sandals, no gum, not hats! FFA members are to wear official dress. 4-H Club T-shirts are acceptable, however T-shirts with other writing or logos WILL NOT be permitted. No tank tops. Members not following dress code will be asked to change clothes prior to entering the show ring and/or auction ring.

22. Requests for deviation from any of these guidelines must be made by written petition to the Market Auction Committee (MAC) and submitted to the 4-H agent prior to the event. If submitted after a scheduled quarterly meeting of the MAC and prior to the event, a grievance committee will handle the petition. The committee will consist of 4-H Agent and/or 4-H Program Assistant, FFA Overall superintendent, 4-H Livestock superintendent and the relevant 4-H and FFA species superintendents.

23. Animal Replacement Policy – If a tagged market animal should die and the member has no other tagged animals in his/her name, notify the OSU Extension Office (541-672-4461) within 24 hours. The 4-H/FFA member will be asked to provide the MAC with the following information within 48 hours: 1) A vet statement on the dead animal prepared by a veterinarian. 2) A statement of support from his/her 4-H leader or FFA advisor regarding the replacement. Representatives of the MAC will review the veterinarians report and the leader recommendation. If the death of the animal was not due to poor management or negligence, the MAC may grant permission to purchase another tagged market animal from a 4-H or FFA member in the county within five (5) days of approval. No replacement requests will be granted within 30 days of Lamb Show or County Fair. If a market animal is sick or injured, members may use the above guidelines to request a replacement.

24. All 4-H and FFA members must complete the mandatory Market Auction Education materials and have submitted the mandatory Country of Origin Labeling (C.O.O.L.), Market Animal Affidavit (MAA) and Media Release form to the OSU Extension Office. They can be turned in as early as weigh-in/tagging day but must be submitted no later than May 1st for lambs and July 1st for beef and swine in order to be eligible for sale at the Rotary Auction.
The following list details the generous contributions of our community sponsors for special division awards earned by Douglas County 4-H youth at county fair and contests associated with county fair for our current 4-H enrollment year. Each sponsor has provided our awards committee with the ability to supply 4-H youth participants an award that distinguishes their project work as having achieved the highest possible rank within our counties participants. As such, each 4-H youth participant is required to send their award sponsor an appropriate thank you note acknowledging their support of youth in the Douglas County 4-H program. During the show as participants receive their placing’s they will be given a preaddressed thank you note card and envelope to be completed by the member and returned to the 4-H office where they will be given their special award at that time. This is a new policy to help ensure that our donors are receiving prompt and appropriate appreciation.

4-H HERDSMANSHP CONTEST

The purpose of this contest is: Develop knowledge and skill in proper care, handling and housing of animals on public exhibition. Unmanned clubs will not be judged on members’ presence at club area as long as area is neat, clean and animals are taken care of. Individual members may compete for Herdsmanship Award. Herdsmanship awards will not be presented until the fall awards program. This will allow barn superintendents time on Sunday of Fair to determine that all herdsmanship duties and cleanup occurs.

Basis for scoring:

Animals . . . . . . . . . . . . . . . . . . . . . . . . . 40
Display (arrangement and tying or penning). All cattle to have neck rope in addition to halter. Care (cleanliness, grooming, regularity of feeding and cleaning.)

Barns . . . . . . . . . . . . . . . . . . . . . . . . . 40
Equipment, feed and supplies (arrangement, cleanliness, neatness and safety.) Alleys, stalls and pens (cleanliness, bedding, neatness,) Stall Cards (legibility, neatness.)

Club Member . . . . . . . . . . . . . . . . . . . . 20
Appearance and attitude, skill in handling animals, all the work done by club members.

NOTE: Barn superintendent will have the authority to ask clubs to move tack boxes, chairs, etc. out of the aisles in barns, if they pose a safety risk such as congestion in or blockage of the aisles.

DRESS CODE

Dress code will be enforced for stall duty. Dress code is as follows:
Exhibitor should be neat and clean, 4-H club T-shirts are encouraged, however T-shirts with other writing and logo’s must be in good taste. No shorty shorts, No tank tops, No open-toed shoes, sandals, or flip-flops should be worn at any time in the barn; again clothing needs to be in good taste and appropriate for handling livestock and animals. Remember that this is for your safety; clothing appropriate for barns and to be seen in public. Shirts and jeans are preferred. Members not following Dress Code will be asked to change clothes before returning to stall duty or the barn area. Be on the safe side – bring an extra set of clothes and shoes!
**4-H SHOWMANSHIP**

The purpose of 4-H livestock showmanship is to teach youth courtesy, good grooming, poise, confidence and how to fit, train and handle animals. All training and preparation is done by the contestant (See the Douglas County Showring Code of Practice). Since there are many different but correct methods of achieving a desired result in preparing an animal for showmanship, the proper result is more important than the method.

No effort is made to judge preparation methods so long as they are safe and reasonable. The picture that the showman and his animal present are most important, they should be clean, well-groomed and attractive and should work well as a team. The animal should be under control, correctly posed and alert at all times. The methods of leading, turning and posing should be safe, becoming and courteous.

**Basis for scoring:**

- **Club Member** ........................................... 20 (Clean, neat, courteous, attentive, confident, knowledge of project)
- **Animals** .................................................. 25 The animal - condition and grooming
- **Showing the Animal** ................................. 50 Ability to show the animal to the judge and to move the animal as directed by the judge.

Possible score = 100

If one exhibitor wins Champion Showmanship in two or more departments, that exhibitor has the option of which animal to enter in the Master Showmanship Contest. The Reserve Champion(s) in the department not chosen then is eligible to enter the Master Showmanship Contest.

**4-H MASTER SHOWMANSHIP**

Champion Showmen from 4-H beef, dairy, sheep, swine, and horse departments and winner of the specialty animal classes’ run-off are eligible to show. (Specialty classes consist of dairy goat, pygmy goat and meat goat showmanship.) Each contestant will show an animal chosen by superintendents’ that is not his/her own for a prescribed time (3-5 minutes). They will be placed by the judges of each division before moving to the next animal. Contestant with the best composite score is Champion. In event of a tie, contestant with most first place or first and second place scores is winner. No premiums. Champion and Reserve Champion awarded.

**COSTUME ANIMAL CLASS**

*No Premiums Awarded; Sign up with your Barn Superintendent at County Fair*

This is a special class for animals (dairy, beef, sheep & goat) exhibited by 4-H/FFA/Open class. The class will be scheduled Friday afternoon, in the Beef Ring. The judging is to be based on glamour of the animal as enhanced by cosmetics, ribbons or other paraphernalia. Participants may assist each other in developing a spectacular entry. Ribbons will be awarded.
4-H GUIDELINES FOR JUDGING 4-H PRODUCTION RECORD CLASSES

Each of the species has certain criteria upon which are based the evaluation of their production. The purpose of this guideline is not to analyze these criteria, but to establish a base for the official to work from. Each judge will look at a production class from a different perspective. This guideline is an attempt at channeling the evaluation of these classes into something that will allow some uniformity in the outcomes.

The Production Records Class Placing is based on these two areas:
(1) The Production Animal (sow, ewe, cow, etc.)
   Conformation, soundness, breed character, (if purebred), feminine traits and age.
(2) The Production Record:
   • Reproductive efficiency--Production interval: 6 months sows and 12 months for ewes & cows
   • Mothering Ability--Ability to wean healthy offspring
   • Milking Ability—Ability to wean large offspring
   • Performance of Offspring--50% heritable from Dam A.D.G., F.E.
   • Carcass quality
   • Showing performance

4-H HORSE BARN RULES
1. Boots are required when riding, in the arena or barn area.
2. Boots must be worn in all areas where horses are present.
3. No open-toe shoes, sandals, or flip-flops should be worn at any time in the barn.
4. Top stall doors must remain closed at all times. Stall doors cannot be pad-locked.
5. Horses are not to stand or be tied in the alleyways at any time.
6. Halter should be left by stall doors in case of emergency (outside of stall).
7. No riding of horses in barn or on pavement.
8. Permission must be obtained from Barn Superintendent to place a horse in a different stall, and you must clean stall afterwards.
9. Parents are to observe only: this 4-H project experience is for the kids.
10. Horses are not to be unattended in a stall with saddles, halters, or any other tack on the horse or left in stalls (except stable blankets).
11. Water buckets may be left in stall at all times BUT must remain only with water in them. If hay bags are used they must be tied shoulder high and removed when empty.
12. Tack rooms are often very crowded—neatness sometimes is next to impossible but attempts should be made. Hay should be secured in bags or tied back after use (large clubs have a real disadvantage with space, feed can be brought in daily with a parking delivery pass to help with space accommodations).
13. Clothing appropriate for barns and to be seen in public. Shirts and jeans are preferred.
14. Parents may help place heavy saddles on horses but kids should do the rest of the tacking up. Parents may also hold horses (if child has a handicap and needs assistance, herdsman judge should be notified so judging can be modified).
15. Before leaving, stalls must be stripped to bare dirt, all loose sawdust must be raked out and then checked by person in charge. If this is not done, you will be charged a cleaning fee. All stalls are to be cleaned by 10AM daily, dump all dirty shavings and manure as far back in the manure bunks as possible.

GENERAL REGULATIONS
1. Each horse club must submit a list of member’s project horses to the 4-H office by May 15th.
2. Members who use un-owned project animal(s) must have a written lease between May 1st and Sept. 1st. One copy of this lease must be on file at the 4-H office by May 15th. Challenged riders are exempt from this rule.
3. All 4-H Horse project members must complete Level One of the Oregon 4-H Horse Advancement Program, as Level One of each of the advancements that apply to the contests they will be competing in at the County Fair. Exceptions will apply to members only participating in walk/trot classes; they will not be required to complete the lope or canter sections in the riding advancements. Likewise, members only competing in non-riding events will not be expected to complete the riding advancements.
4. Showmanship class is required of each member. Members may not show in more than one horse showmanship class at County Fair.
5. Dress code: long sleeves, boots, belts (should be worn if there are belt loops), show numbers (as provided) are required in all classes. Boots are required of 4-H member when riding and handling horses in the arena or barn area. Boots must be worn in all areas where horses are present. No open-toed shoes, sandals, or flip flops should be worn at any time in the barn.
   a. All Oregon 4-H members participating in any equestrian activity, regardless of riding seat, will wear a properly fitted equestrian helmet which meets the standards imposed by the American Society of Testing Material (ASTM) F1163 and includes certification and labeling required by the Safety Equipment Institute (SEI). Such headgear will be secured with the harness engaged and be properly fastened when mounted on an equine or in a vehicle (cart, wagon, buggy, etc.) being pulled by one or more equine.

6. Only one horse per member may be shown at Fair. Exception: ground training, owner-trained under saddle and pleasure harness classes.

7. With superintendent approval, immediate family members or 2 non-family members may share a horse if only one is available, providing they share care and training responsibilities. Members and families should be aware of the constraints this may cause in regard to class schedules or for championships.

8. Mares and their foals shall not be in the show arena at the same time. If mares are being shown, foals should be in the barn and vice versa (except for ground training).

9. The use of hoof polish will not be allowed.

10. HORSE STATE FAIR QUALIFYING/ELIGIBILITY POLICY:
    There are no county quotas for State Horse Fair. Instead, there are qualifying scores or times for each specific event. Contestants must first qualify with their equitation/showmanship score before they qualify for trail, dressage, or hunt seat over fences.

    Carefully read the qualifying rules for each event.
    Contestants must use the same horse in all events except for ground training, driving classes and gaming. In addition, in every event, contestants must use the same horse they qualified with at the Douglas County Fair/Contest.

    Showmanship is required of all contestants, but you can only do showmanship once. If you have an equitation horse, you must use that horse for showmanship and show in the performance showmanship class. If you do not have an equitation horse, but have a ground training or driving horse, you must show that horse in the performance showmanship class. Only gaming contestants who had no horses in performance may show in the gaming showmanship class.

    In order for Intermediates and seniors to qualify for State Fair in showmanship and equitation (hunt seat, saddle seat, or western), contestants must have received a minimum combined score of 170 (in equitation and showmanship) at the Douglas County Fair, and each individual score must be 80 points or higher. In addition, they must have used the same horse in both classes. For members who ride multiple tests, the highest equitation score must be used to determine eligibility. Then, if members have received blue ribbons in other classes on the same horse, they may ride those classes as well. The same horse must be used for all equitation classes.

    Contestants who qualify for State Fair in equitation/showmanship may also enter Trail if they received a blue ribbon in that event at the Douglas County Fair using the same horse as used in equitation/showmanship.

    Contestants who qualify for State Fair in ground training or with a non-ridden animal in reinsmanship or precision driving may also enter in-hand trail if they received a blue ribbon in that event at the Douglas County Fair using the same horse.

    Contestants who qualify for State Fair in equitation/showmanship may also enter Dressage if they received a score of 58% or higher on any Training Level Test or and First Level Test at the Douglas County Fair using the same horse as used in equitation/showmanship.

    58% and up Blue ribbon
    50-57.99% Red ribbon
    49.99% and below White ribbon

    Riders may ride only one test at State Fair, and it must be the test they rode at the Douglas County Fair and in which they received the qualifying score. A member who scores 62% or higher State Fair must progress up to the next test the following year. (The requirement to move up does not apply to a new horse or in a test change year). The 2011 tests must be used.

    Contestants who qualify for State Fair in equitation/showmanship may also enter Hunt Seat Equitation Over Fences if they received a blue ribbon in that event at the Douglas County Fair using the same horse as used in equitation/showmanship and if they received the blue ribbon performing over an approved qualifying course. A qualifying course must have a minimum of
six different fences with at least three of them at the maximum height and spread. There must be at least one combination jump and one change of direction.

Contestants may only enter one **reinsmanship** class at the State Fair, and there are two ways to qualify. Contestants who qualify for State Fair in equitation/showmanship may also enter reinsmanship if they received a blue ribbon in that event at the Douglas County Fair using the same horse or pony as used in equitation/showmanship.

Contestants may also qualify with their non-equitation horse or pony if they received a minimum combined score of 170 (in reinsmanship and showmanship) at the Douglas County Fair. In addition, the showmanship score must be 80 points or higher, and the reinsmanship score must be 85 points or higher. The showmanship score can be from their equitation horse or their driving horse. If contestants are not showing an equitation animal in showmanship, they must exhibit their reinsmanship animal in showmanship.

Contestants who qualify for State Fair in equitation/showmanship may also enter **precision driving** if they received a blue ribbon in that event at the Douglas County Fair using the same horse or pony as used in equitation/showmanship.

Contestants may also qualify with their non-equitation horse or pony if they received a minimum combined score of 170 (in precision driving and showmanship) at the Douglas County Fair. In addition, the showmanship score must be 80 points or higher, and the precision driving score must be 85 points or higher. The showmanship score can be from their equitation horse or their driving horse. If contestants are not showing an equitation animal in showmanship, they must exhibit their precision driving animal in showmanship.

To qualify for State Fair in **Ground Training**, contestants must have received a blue ribbon in ground training at the Douglas County Fair. A county may send a total of 8 ground trainers (four seniors and four intermediates.) The horses may be either yearlings or two-year olds. The same person may show both a yearling and a two-year old. If contestants are not showing an equitation animal in showmanship, they must exhibit their ground training animal in showmanship.

To qualify for State Fair in **Gaming**, contestants must have met the blue ribbon qualifying time in each event entered. If members are not showing another animal in showmanship, they must exhibit their gaming animal in showmanship. The same horse must be used in all gaming events. *Gaming qualifications are held before county fair in May.*

11. Since mares still nursing foals are not allowed at the State Fair, members showing mares with foals will not be eligible for State Fair, unless foal is weaned.
12. Half-chaps are optional for Hunt Seat and Dressage classes.
13. All male horses over the age of 12 months of age must be gelded to participate in 4-H.
14. Members may ride Hunt Seat or Saddle Seat but not both.
15. Bareback riding is limited to designated classes. The following are not allowed during 4-H horse activities:
   - Riding double
   - Having others ride your horse
   - Riding horses on blacktop areas (walk and lead your horse on all blacktop surfaces)
   
1. It is required that all horses and weanlings have the following shots after February 15th, and no later than July 1st, for County Fair: Tetanus, Eastern & Western Encephalitis, Influenza, West Nile & Rhino Pneumonitis. Horses receiving their 1st West Nile vaccination should receive two shots, 3-6 weeks apart. The second West Nile vaccination should be administered by July 1st. A certificate signed by a supplier and/or a Veterinarian or 4-H Leader is required. Only these certificates will be accepted at veterinarian checks. Certificates are available at the Extension Office.
2. Herdsmanship will be judged per Horse Barn Rules. See 4-H Herdsmanship Animal Science Contest.
3. It is illegal to use drugs or substances intended to alter the horse's performance. See Code of Ethics.
4. 4-H will not accept any breed promotion awards at County Fair.
5. The policy of responsibility is as follows: Every club member should have complete responsibility for the training of his/her project horse during the time period from May 1st through Aug. 31st. Challenged riders will be exempt from this rule. This does not mean that when there is one horse in the family which belongs to the youngster in the 4-H club project that other members of the family do not have the right to handle or ride the horse. However, other members of the family or other riders are expected to refrain from activities with the horse that could be interpreted as training experience for the horse. This
does not exclude the possibility of using the horse for pleasure rides, trail rides, work, or parades. It does, exclude riders other than the member enrolling the horse as a project from using the horse in horse shows or working the horse in performance exercises normally associated with 4-H horse shows. This policy is to allow every club member full opportunity to gain the maximum experience as they work with their horse club project. The policy also intends to discourage training of the horse by skilled riders other than the member carrying the horse as a 4-H club project during this period of time.

6. Lame horse policy: If after May 1st the 4-H'er's horse becomes sick, injured, or lame, the 4-H'er may replace the horse and participate at County Fair. However, the 4-H'er will not be eligible for horse championship classes, medallions, or State Fair participation. The 4-H'er must present a veterinarian's certificate to his/her 4-H leader who then must show the certificate to the Horse Fair Committee prior to County Fair.

7. Ground training or owner trained under saddle horses or harness ponies may stay overnight at the Fairgrounds only if there is room for all of them. If an Intermediate or Senior member has only a ground training or owner under saddle project horse and is the high point/blue ribbon individual in these two categories, they may bring that horse to Fair only for the Champion Showmanship Class.

8. Parents are asked to observe only, so 4-H members can do their own project work. 4-H'ers may help each other. Be sure to check the current year's County Fair book section "General and 4-H Animal Science Rules and Regulations" for other rules that will apply to horses.

9. Challenged Riders will be classified according to skill level rather than grade in school.

10. Good Hands and Seat class is comprised of riders whose scores place immediately behind the Championship qualifiers at the discretion of the horse superintendent and/or show committee. A maximum of 8 blue and/or red ribbon winners may advance. These riders will be placed first through eighth. At the judge's discretion, the first place rider may advance to the championship class; but only if he/she earned a blue ribbon in his/her regular equitation class. Participants in the good hands and seat class will receive a participation ribbon but will not be eligible for premiums for this class.

11. Approaching the judge should be done so for information only, not to dispute placing, and only after judging is completed. Those wishing to speak with the judge must do so through the horse superintendent and with a superintendent or 4-H staff person present.

Display (all parts) should be able to last the duration of the fair in good repair. An Educational Display Exhibit Card (000-01) must be attached to each exhibit. Judging criteria are outlined on the 4-H Science Investigation Display Evaluation Sheet (840-100). Both are available from the county Extension Office or the state 4-H website at http://oregon.4h.oregonstate.edu/fair-exhibit-and-contest-materials

Club exhibits are to be entered under the club name but must include the names of all members and leaders. This may be on a separate paper securely attached to the back of the exhibit. Club exhibit will receive one ribbon per exhibit.

Each piece of an exhibit must have name, county and class numbers securely attached to it. All parts of the display should be attached to one another in some way to keep the exhibit together as a unit. Single posters may be displayed by hanging or stapling to the wall. All other displays should be free standing. All information contained in the exhibit must be able to be viewed by the public by looking at the display.

The one exception to this is the Rocketry Engineering Journal, which must be included with the Rocket display, but is not required to be attached to it.

Each exhibit must include the current year’s edition of the appropriate Project Description for the exhibit form filled out neatly and securely attached to the exhibit. 4-H Project Description sheets are posted at http://oregon.4h.oregonstate.edu/state-fair Be sure to use the newest version of the Project Descriptions for each technology exhibit. Exhibitors should answer the description page carefully and in full sentences. This is the exhibitor’s opportunity to tell the judge about their project. Judging Evaluations can be found at: http://oregon.4h.oregonstate.edu/state-fair These provide valuable information to youth on creating their project displays.

Please notify the 4-H Office if special requirements are needed for your exhibit – such as power, space, etc. *Judging criteria from our County Fair to the State Fair is significantly different since members are not able to participate in the judging process with the judge at State Fair, each youth will need to decide if they want their project to continue on to State if they qualify during County Fair. Please discuss this option with your club leader, area superintendent and 4-H staff to help avoid confusion and frustration.

Each exhibit piece must be labeled with the member’s name, county and class number. If more than one article is contained in the exhibit each article must be labeled with the member’s name, county and class number. This may be done with masking tape, attaching an index card, or writing directly on the back with a marker. All the articles that comprise the exhibit must be attached to each other.

These classes are open to all 4-H members without being enrolled in the 4-H computer project. See additional exhibit requirements, above, for Technology classes.

A print version of the program must be submitted unless otherwise noted in the class description below. Youth are responsible for submitting clear directions on how judges can access the files, read code and start programs. You may include a disk, CD or thumb/travel drive as part of your exhibit. If you do, all files must be compatible with use on a PC.

Value is placed on youth that can model the learning process, or show how their skills have increased while completing the project.

The youth exhibitor should identify a problem to solve or create a work application involving technology. Possible ideas
might include: applying existing software programs to a 4-H project area, composing music, developing a game, drawing landscape scenes, designing buildings, publishing club newsletters, creating a website, editing a video, working with photographs, etc.

Online projects using Google applications or other Web 2.0 software are acceptable. Youth must make sure clear directions are given in the project explanation so the judges can find and access the project online. Website exhibits must be viewable online or on a disk, CD or thumb/travel drive.

Exhibits entered in the “Programming” class must be a program written, translated, or substantially (at least 30%) altered by the 4-H member. In the programming projects please submit a hard copy or thumb/travel drive for programs with excessive pages such as GameMaker software and working files so the judge can see the code. Submit a URL that points to the development software so it can be downloaded.

Forms are available at County Extension Office and on the State 4-H website at: http://oregon.4h.oregonstate.edu/state-fair All Expressive Arts exhibits will be interview judged on the day of entry. ART

County exhibitors may exhibit up to two compositions per class at County Fair. State Fair entries are limited to three classes in original art and three classes in non-original art, no more than one entry per class number. Art has two divisions based on whether the entry is entirely original or includes components that have been designed or created by others. In both divisions, the member will be expected to create their work by applying the elements and principles of design.

**Artwork may not be framed**, with the exception of work done with chalks, charcoal, or pastels. If work done with chalks, charcoal, or pastels is framed, light weight frames with plastic rather than glass should be used for protection during display. No glass is allowed.

Artwork is to be mounted for display, including jewelry. Matting, spray fixatives and/or over wrap with plastic are acceptable for protection of the artwork. If an item is meant to hang, a hanger that will support the weight of the item must be **securely** attached. Adhesive plastic hangers are encouraged to protect other artwork. They are available for purchase from the Extension Office for $.25 each.

All items made from clay (except modeling clay) must be exhibited in the Ceramics and Pottery division.

All work done on an item that is wearable clothing or accessory must be exhibited in a Wearable Art category.

Exhibits should not contain parts that expose the public or volunteers to injury (i.e. sharp edges or points.)

Exhibits are entered and displayed at the risk of the exhibitor; see rule 12 under General 4-H Information – Eligibility.

In addition to the exhibit tag, each piece of an exhibit must be labeled on the back or bottom with the member’s name, county, and exhibit class number. Exhibits that have more than one piece need to be tied together or connected together in some way so the pieces can be considered as one exhibit.

Forms are available at the Douglas County Extension office and at the State 4-H website: [http://oregon.4h.oregonstate.edu/fair-exhibit-and-contest-materials](http://oregon.4h.oregonstate.edu/fair-exhibit-and-contest-materials). Judging criteria are outlined on the Art Project Evaluation form found at, [http://oregon.4h.oregonstate.edu/fair-book-expressive-arts](http://oregon.4h.oregonstate.edu/fair-book-expressive-arts)

KNITTING

Knitting has three divisions of exhibit classes based on the techniques used: Knitting with needles; Knitting with looms, boards and machines; and Felted Knitting. Members must currently be enrolled in the Knitting project.

Members may enter up to a total of four classes based on the phase or level in which they are enrolled. The classes may be any combination of divisions but within each division the classes must be in a single phase or level. To qualify for judging, a 4-H Knitting Exhibit Explanation card (360-01) must be securely attached to the exhibit. The card requests information about the exhibited item and skills learned in construction. Members must mark skills on the level in which they are enrolled. If they show skills beyond their level, they will not receive extra consideration. Forms are available at the Douglas County Extension office or on the State 4-H website at: [http://oregon.4h.oregonstate.edu/contest-materials-family-and-consumer-science](http://oregon.4h.oregonstate.edu/contest-materials-family-and-consumer-science)

Judging criteria for non-felted items are outlined on the 4-H Knitting Check Sheet (360-02). Judging criteria for knitting which has been felted are outlined in the 4-H Felting Score Sheet (261-03). Both are available from the Douglas County Extension office or at website above.

A pair of mittens, slippers, socks, etc., is considered one article. The two pieces of the pair should be temporarily but securely attached to each other. Swatches are not acceptable as exhibits.

In addition to the 4-H exhibit tag, each garment or article must be labeled with the member's name, county and project phase or level. This label should be typed or printed in indelible pencil or ink on a piece of white fabric and sewn to the article or written with indelible ink on painters tape and placed where it can do the least amount of damage. **In addition to exhibit tag and explanation card, each exhibit must be labeled with the member’s name, county and exhibit class number. If more than one article is contained in the exhibit then each article must be labeled (as above) and attached to each other.**

Work done after county fair, but prior to October 1 and not previously exhibited, may be included in the next project year. All state exhibits (exhibits which do not require attendance at the Fair) shall be of county blue award quality.

8. 4-H exhibits at the Oregon State Fair are entered and displayed at the risk of the exhibitor. The 4-H Department of Oregon State University in cooperation with the Oregon State Fair accepts exhibits and will exercise due care to protect them. However, the 4-H Department and State Fair cannot accept responsibility for loss or damage due to the conditions imposed by large crowds, the arrangement of the building in which displays are housed and the great number of exhibits. 4-H’ers who have exhibits of great sentimental and/or monetary value should carefully consider whether such exhibits should be exposed to the hazards of the Fair.

9. Livestock exhibitors at State Fair participation must be selected through the county selection process and animals entered must be approved by the County Extension Agent. Exhibitors must receive a blue ribbon in animal class to show at State Fair. Exceptions include the horse State Fair exhibitor selection process and showmanship animals.

10. Senior and Intermediate 4-H members (grade 7-12) may show the same animal in both open and 4-H classes. Members must assume responsibility to meet all Open Show requirements. 4-H members (intermediates and seniors) will be allowed to show in 4-H approved Junior Livestock Shows at the State Fair. If there is conflict with show times, members will be required to show in the 4-H classes. All animals exhibited in 4-H, Open and Junior shows must be
housed in the 4-H Livestock area.

11. Members bringing dogs to the State Fair are required to have their dogs currently vaccinated for Rabies, DHL or DHLP and Parvo Virus. If a dog has a visible skin or physical problem, a certificate from a veterinarian is required indicating that the condition is not contagious or harmful to the dog during competition.

12. Horse participants in Dressage, see horse section in Fair Book.

13. All exhibits should be age appropriate and in good taste. Show management reserves the right to not display items that might be considered disrespectful or controversial.

There are special exhibit tags for wool and mohair fleeces, flowers, fiber arts, and clothing/sewing. We encourage the use of computer generated exhibit tags. These can be found on the State 4-H website: [http://oregon.4h.oregonstate.edu](http://oregon.4h.oregonstate.edu) Exhibit tags and cards are available at County Extension offices. All tags and cards must be filled out completely, except for addresses.

2. Horse stall cards, livestock stall cards and small animal cards will be available at the fair or they may be filled out at home and brought to the fair. Please do not fill in the address line. Include only name and county.

3. “For Sale” signs are not permitted.

4. All State Fair entries need to be done through the county 4-H office; members cannot register on their own.

5. It is the responsibility of the member to assure that the current year’s version of all required exhibit tags, project descriptions and/or labels are attached to the exhibit. Exhibits with out-of-date documents will be disqualified from state competition.

6. It is the responsibility of the member to assure that any specified size and/or weight restrictions are followed. Exhibits that do not meet the criteria will be disqualified from state competition.

Delivery and Removal of Static Exhibits

3. Exhibits must remain on display through the close of the fair (Labor Day) unless a special exception is granted by the exhibit building staff.

4. All awards and score sheets are sent back to the county offices for distribution.

Exhibit Judging and Ribbons

1. The Merit Method of judging is used for all exhibits and contests. Entries will be placed in Blue, Red, and White award groups according to quality:
   - Blue – an exhibit that is excellent and meets the established standards for the class
   - Red – an exhibit that is good but has room for improvement
   - White – an exhibit that meets the requirements of the class but shows need for considerable improvement

2. Reserve Champion, Champion, and Medallions will be selected in each class only when the judge deems there are entries that meet those standards.
   - Reserve Champion – a superior exhibit that exceeds the top established standards
   - Champion – an outstanding exhibit that far exceeds the top established standards
Medallion – an exceptional exhibit that demonstrates excellence in all facets

3. If an exhibit does not meet the requirements of the class, it will receive a display only ribbon.
4. All 4-H judges are approved by the State 4-H Department, and the judges’ decisions are final.
