

**Douglas County Environmental Health
Restaurants Inspection Scores
Updated semi-annually
facilities are listed alphabetically by area**

A SCORE OF 70 TO 100 “**COMPLIES**” WITH HEALTH DEPARTMENT STANDARDS

A SCORE BELOW 70 “**FAILS TO COMPLY**” WITH HEALTH DEPARTMENT STANDARDS

How to read this chart:

Inspection Score	Number of Critical Violations
------------------	-------------------------------

Example:

88	1
----	---

This means that the total inspection score for this facility was 88 and they had 1 critical violation during the inspection.

“CRITICAL VIOLATIONS” are more likely to contribute to food contamination and illness than other violations. These include but are not limited to:

- Personal hygiene is inadequate (hand washing, etc.)
 - Foods held at improper temperatures.
 - Foods are not date-marked or discarded upon expiration.
 - Cross-contamination risk
 - Food is improperly cooled or reheated.
 - Raw animal foods are improperly cooked.
 - Food is from unapproved sources or prepared at home.
 - Presence of rodents or insects.
 - Failure to clean and sanitize food contact equipment and utensils.
 - Foods are not held hot enough or cold enough.
 - Lack of an approved water system
 - Toxic chemicals or cleansers not properly stored, used, or labeled.
-
- **Critical Violations** must be corrected or a safe alternative put in place at the time of the inspection.
 - **All facilities** receive unannounced inspections twice a year.

 - **Complete inspection reports** are available to the public at the Douglas County Health Department (621 W. Madrone, Roseburg, Rm # 360)
