**Child Passenger Safety Seat Education & Distribution Program Discontinued**

Effective April 1, 2009, the Douglas County Health Department will no longer serve as a point of contact for Child Passenger Safety Seat education, installation assistance, or distribution of child passenger safety seats in Douglas County.

Beginning April 1, families may contact the Child Safety Seat Resource Center with their safety seat questions. The Child Safety Seat Resource Center is a statewide service provided by the Alliance for Community Traffic Safety in Oregon (ACTS Oregon). ACTS Oregon provides traffic safety resources, technical training, advocacy and education to individuals and communities throughout Oregon.

For child passenger safety seat information or assistance, contact:

**ACTS Oregon Child Safety Seat Resource Center**

1-800-772-1315
