LAW ENFORCEMENT MEDICAL LIABILITY

Sections:

3.40.010 Short title.

3.40.020 Purpose.

3.40.030 Payment of Assessment Fees.

3.40.010 Title. This ordinance shall be known and cited as the Douglas County Law Enforcement Medical Liability Account Ordinance. (Ord. 93-2-1, §1, 1993)

3.40.020 Purpose. The purpose of this ordinance is to ensure that sufficient funds will exist in the Oregon State Law Enforcement Medical Liability Account (LEMLA) to pay prisoner medical expenses at the time that the LEMLA becomes liable for the costs. Adequate funds will accrue only if justice courts collect and deposit designated county corrections assessment fees into the LEMLA, as circuit, district and municipal courts are required to do. (Ord. 93-2-1, §1, 1993)

3.40.030* Payment of Corrections Assessment Fees. The Justice of the Peace shall withhold and deposit to the treasury of the County receipts from assessment which have been dedicated to the Law Enforcement Medical Liability Account (LEMLA) as provided by 1991 OR Laws Ch 778 § 5(4)(a). Such monies shall be forwarded by the County to the Oregon Department of Revenue for deposit in the LEMLA to pay prisoner medical expenses. (Ord. 93-2-1, §1, 1993)

*In Ord. 93-2-1, §1, 1993, Payment of Corrections Assessment Fees is numbered as section 3.40.020. That appears to have been a typographical error and has been changed to 3.40.030 here.
