

Calendar Assessment and Taxation Procedures

This list gives statutory dates for various functions. If the date for filing any correspondence, claim, or remittance falls on a Saturday, Sunday, or legal holiday, the date is extended to the next business day (ORS 305.820). When the last date for a filing falls on a day when the particular office closes before the normal business day ends, the time is extended to the next day the office is open for business (ORS 174.125).

Note: The date extension provisions under ORS 305.820 and ORS 174.125 only apply when the public submits any writing or remittance required by law to the Department of Revenue, County Board of Property Tax Appeals, County Assessor, Tax Collector, or other taxing officials. The Department of Revenue, County Board of Property Tax Appeals, County Assessor, Tax Collector, or other tax officials must complete their obligations on or before the required date in the event of a holiday or weekend.
